## Code of Conduct for TRACI Auditors

As a TRA Certification International, Inc. certified auditor, I understand that I have an obligation to remain in compliance with the TRACI Codes of Conduct which include the following:

1. I will perform activities in a professional, accurate, and unbiased manner.
2. I will disclose any relationships that may influence judgment.
3. I will not represent conflicting or competing interests.
4. I will not accept any commission, gift or other benefit from organizations being audited, their employees or other interested parties.
5. I will not intentionally communicate false or misleading information that may compromise the integrity of any audit or the auditor certification process.
6. I will not misrepresent the qualifications, competence or experience of myself or those of any other individual or organization
7. I will ensure that all complaints regarding performance are formally logged and will be addressed in a manner to prevent recurrence.
8. I will provide full cooperation in any formal enquiry that should arise in the event of any alleged breach of this code.
